

## My Regatta Network - An Event Management System for Entrants .

Introducing My Regatta Network, an event management system designed specifically for entrants. This system brings together all the tools to manage all of your registrations into one convenient, secure location. It includes:

- **Calendar** -- All of your coming events plus a listing of other events near you.
- **Current Registrations** - A complete list of your current events with:
  - Payment status
  - Links for payment or Receipt
  - Links to upload documents
  - Links to your event site
- **Past Events** -- A complete record of your events with
  - Links to the event web site
  - Links to the results for the event
- **Crewbook**
  - Listing of any crew that have registered with you
  - Integrated email console to send them reminders
- **File Manager** - Keep track of and easily link to your registrations:
  - Rating Certificates
  - Medical Forms
  - Waivers
  - Insurance forms
